

## NATIVE AMERICAN HERITAGE COMMISSION

### Re: UC Repatriation Committee Candidate Outreach

Dear UC Community,

This correspondence is soliciting nominations from qualified and passionate candidates to serve on the University of California NAGPRA Committees. Respectful repatriation rooted in meaningful tribal consultation is required by [California NAGPRA](#) (CaINAGPRA). Furthermore, CaINAGPRA requires the UC to establish both Campus and Systemwide NAGRPRA Committees. (Health and Saf. Code §8026) These committees are platforms for passionate advocates to ensure legal compliance, cultural respect, and the decolonization of the UC's repatriation practices.

The committees are composed of both UC and Native American representatives. All members must be reviewed and nominated by the Native American Heritage Commission (NAHC) before appointment by the UC. (*Id.*) The NAHC is continually accepting nominations for all positions. More information and application packets can be found [here](#).

Committee members can expect to commit 2-3 hours per month. The committee will meet 10-12 times year to discuss systemwide repatriation issues.

All UC representatives must meet the following criteria:

- Have a graduate degree and five years of working experience in either Archaeology, Anthropology, Native American Studies, Ethnic Studies, Law, Sociology, Environmental Studies, or History, with a focus in California.

Preference will be given to members “who have demonstrated, through their professional experience, the ability to work in collaboration with Native American tribes successfully on issues related to repatriation or museum collection management” (Health and Saf. Code §8026(c)(2)). The UC Policy currently allows the UC to make exceptions to the above qualifications provided that the nominee is approved by the NAHC, and such exceptions promote repatriation and amplify the UC Policy's Purpose and Guiding Principles.
